## Welcome Fall

As temperatures start to drop in the evenings, we are thankfully no longer seeing those triple digits on the thermometer. Soon we will all be enjoying those lovely Indian Summer Days that we have been waiting for. We also welcome more of our Rincon Country East Residents back to The Old Pueblo. Things are shifting into high gear as we look forward to the Holidays. I am still in need of Volunteers to help with all sorts of things; especially cooking Thanksgiving dinner. If you would like to help, and haven't signed up, please do so in the Activities Office. I am looking forward to a festive season of activities and events. We have some great entertainment scheduled throughout the season.

Alisa

## Thanksgiving Dinner

Our Annual Thanksgiving Dinner will be held on Thursday, November 24th, at 1:00 pm in the Auditorium. Rincon Country East will be cooking the complete meal with all the trimmings; turkey, mashed potatoes, gravy, vegetables, stuffing, rolls, beverages and desert. You need only bring yourself, your friends and family.

Tickets are \$7.50 per person and must be paid for at the time of sign up. Please come to the Activity Office to sign up no later than Monday, November 21. You are welcome to invite family and friends, including children.

There will be table cloths on each table, however, if you would prefer, you may decorate your table with your own Holiday Splendor. Please bring your own service and each table will be responsible for cleaning up their own area.

Please put your name on the back of your ticket. There will be drawings for door prizes and a Thanksgiving centerpiece after tickets are collected at the door.

## Free Movie "Soul Sufer"

The true story of teen surfer Bethany Hamilton, who lost her arm in a shark attack and courageously overcame all odds to become a champion again. Bethany was born to surf. A natural talent who took to the waves at a young age, she was leading an idyllic, sun-drenched, surfer girl's life on the Kauai Coast, when suddenly everything changed. As Bethany fights to recover from the shark attack, the devastating 2004 tsunami in the Pacific Ocean unexpectedly gives Bethany a new perspective. Traveling to Phuket, Thailand, she witnesses life beyond her own shoreline and discovers her greater purpose-she can make a difference in the lives of others. Filled with a new sense of hope and direction, she returns home with a renewed resolve to conquer her own limitations and sets an encouraging example for people facing adversity. (Rated PG by the Motion Picture Association of America for an intense accident sequence and some thematic material.)

Join us on Monday evening, November 7, at 7:00 pm in the Auditorium. Bring your own snacks and beverages. See you there!

## Do you have Pain/ Numbness/Tingling in the feet/legs?

Come to a Neuropathy Seminar on Tuesday, Nov. 29 at 9:00 am in the Auditorium.

A doctor has moved to Tucson that treats neuropathy (nerve problems), and his name is Dr. Trent Freeman (Dr. T). He has been treating Neuropathy for the last 10 years. Maybe you have seen him interviewed on CBS by Steve Ochoa or during the Dr. Oz show, maybe you saw him on NBC.

Dr. Freeman's clinic is certified with the Neuropathy Treatment Centers of America and he has received advanced training in the treatment of neuropathy. There are fewer than 100 doctors in America that have received this advanced training in this type of therapy.

Dr. Freeman uses two kinds of Light to stimulate the nerves to function better. He uses pulsed infrared technology that helps reduce the pain, and FDA approved cold lasers that help the cells function better.

Give his office a call and schedule the **free** consultation and see if you qualify for this new therapy 520-445-6784. Give him a call he may be able to change your life!

## From The Office

With the beautiful weather, friendly neighbors, and fantastic surroundings, I am glad to be here in the best RV resort in Arizona! Of course I am not bi-ased – it is just the truth. (Smile)

As part of the fun in the office, we get to remind you all of the rules of the park. Here are a few reminders for both our permanent residents as well as visitors: Gate attendants are now on the job and ask that you observe the 10 mph rule, even when coming thru the gate.

Remember, only you can prevent speed bumps. Recycle and garbage dumpsters are located in the storage area, at the NE corner of the park.

Remember our Refer A Friend program and earn some credit on your account – check with the office for details of this award earning program.

When you arrive back in the park, please let the office know as well as the post office. Also, if your cell phone or any other information has changed – please let us know.

Parking permits for the wash are available in the office. No parking on empty lots.

Pets in the front can be walked outside the front gate and pets in the back can be walked to the exercise area for their daily duty.

As always, please pick up after your pet and respect your neighbor's yard – they do not appreciate it being used as a 'dump station'.

Our final reminder for the month is to **HAVE FUN and Enjoy!!**

A special thanks to our post office crew that despite rain, sleet or snow (really?) our dedicated employees get that mail in your box – year round! Also great thanks to our hard working maintenance group that keep the park looking 5 star year round. When you see one of our mail room or maintenance people – give them a big thank you.

Joan

## SINGLE AND LIVING ALONE?

Join our program called "The I'm Okay Club". The purpose of this group is NOT to replace calling 911 for emergencies, but to give individuals who live alone a support group of sorts.

Every individual who wishes to participate agrees to call the Activity Office at 296-4651, Monday through Friday, and 886-8431 weekends and Holidays. Please call between 8:00 am and 10:00 am to say:

My name is \_\_\_\_\_ at lot # \_\_\_\_\_  
"I'm Okay".

In the event that the Activity Office does not receive a phone call from you by 10:00 am, we will call you to see if you forgot to call us. If we do not receive an answer, two office personnel will come to your home to check on you.

Each person should agree to leave a key in the main office for emergency purposes. The key is optional but could be very important in the case of an emergency.

If you wish to be part of this group please be sure to fill out a reference card and leave it with the Activities Office along with your key.
