## Welcome Home

## Halloween Party

Welcome home to Rincon Country West. Seems like the summer was here one minute and gone the next. We hope that you have had a great summer and that you are ready to have even more fun this winter. There will be lots of things to do. So, get your chores done and get ready to enjoy.

Things have been pretty busy around here this summer. The maintenance and cleaning crews have been busy getting the rooms, floors and grounds ready for your arrival.

It's great to see you back, come on and let's play.

Doreen

Our annual Halloween Party and dance is scheduled for Wednesday the 31st of October. For some original ideas check out the thrift stores or just dig out your costume from last year.

Two's Company will supply the music for your dancing or listening pleasure. Tickets are \$5.50. Bring your snacks and beverage. Time is 7:00 pm in the Auditorium.

Remember, costumes are optional but it is FUN being someone or something else.

Beware of the witches and goblins.

## Howl-O-Ween Doggie Costume Party & Parade

Get ready to dress up your Dog for our first ever Howl-O-Ween party.

All sizes, shapes and breeds are welcome to enter this fun event. It should be a real hoot to see all the RCW Canine Debutantes dressed in their Howl-O-Ween finest. So, bring on the witches, goblins, fairies, ghosts and pirates (or whatever costume your dog prefers) and let's have some fun.

All residents are welcome to watch the parade, but the treats will only be for the dogs. Watch for a flyer in your mailbox with all the details. Entry forms will be put in the mail boxes of each family in the pet section or pick one up in the Activity Office.

See you on Friday, Oct. 26 at 10:00 am near the pet walk, south of the tennis courts.

## Free Movie

The movie "Night at the Museum" will be shown on Friday, Oct. 26 at 7:00 pm. This movie stars Ben Stiller and is a comedy. Rated PG. The movie is FREE so, bring your own snacks and beverage.

## Welcome Home Dance

## Pizza Party

Five Star Pizza will be here to cook some scrumptious pizza for you. Enjoy pizza, beer or soda and some good conversation. Tickets are available for \$6.50 and should be purchased by noon on Wednesday, Oct. 24. Meet in the Auditorium on Thursday, Oct. 25th at 5:00 pm for some good eats!

## Wine Tasting

We are getting an early start this fall. The first tasting will be on Sunday, October 28th at 4pm in the Rec Hall. This will be a NO TICKET tasting because we need to have you bring either a bottle of wine or some munchies so we can all taste something you really love, or are curious about, or has a unusual label, whatever.

This a one time event, in November we will go back to buying tickets. If you have any questions please call me.

Judy Fried 294-2879

# Digital Imaging Club

Time to starting thinking about the new season at RCW.

If you like taking pictures or want to learn how to place them into a slideshow on your computer, WE HAVE A GREAT CLUB FOR YOU!

The Digital Imaging Club meets on Monday at 3:00p.m. to 5:00pm in Classroom 2. (starting the first Monday in Nov.)

We talk about both digital and video picture taking. Hope you have taken a lot of pictures this summer.

We will be having our 3rd annual Photo Contest this year. More information on the club and contest will follow in the Villager.

Welcome back, hope to see you at our first meeting of the year.

Beckey Douglass, Club Sect.

# Nana's Needles

WELCOME back to returning park members and new folks as well. Things have been very quiet around here, but that should change very soon. I'd like to invite all hand-workers, be they knitters, crocheters, quilters, sewers, to come to Classroom 1 on Friday mornings between 10:00 and Noon. This is an unstructured group: no officers, dues, rolls, etc. We enjoy the social aspects like the old quilting bees and solve the problems of the world, as I've noted before. The fruits of our labors go to the national charity Newborns in Need, an enterprise providing layettes for preemies and other fragile newborns. I am hoping to have the local president come to speak with us in January so it will be great to have a nice supply of goodies ready for her. Don't hesitate to come in and bring your handwork.

Jan Pickard, 295-3902

# Ceramics and Pottery

After a long and hot summer the clay arts will be back in business. The pottery classes will resume on Thursdays. Come by and try playing in the mud, remember how much fun that was back in kindergarten and/or grade school, or high school?

The room will be open every day for clay play except Friday and Sunday afternoons when painters may be using the space. And if your choice of clay comes as a liquid that is poured into a mold, come in Tuesday mornings to pour and Wednesday morning to unmold your piece. There will be someone available to help at those times.

Judy Fried 294-2879

# Library News

To all of you who are returning, welcome home. Thanks to your hard working summer library volunteers your library is spiffy and ready for your use. We have lots of new books and magazines so come by and enjoy.

Our lending policy is a simple honor system. You take the books and puzzles you wish and return them to the brown plastic crate just inside the library door. We ask that you limit your selections to eight items. Should you accidentally lose or damage a book please do not feel that you must replace it in kind. Another book donation of equal quality is fair exchange. Your donations to your library keep it up to the minute and are very much appreciated.

Due to space limitations we generally shelve only books less than ten years old. We are pleased to receive magazines less than one year old. Our book discards are on the shelf outside so that they can still find new readers. The magazines and newspapers go into the recycle bin.

Please do not remove any part of the newspapers from the library. News junkies, bargain shoppers and sports fans get very testy when those sections are missing. So please be considerate. The paper has been donated for everyone to enjoy all day.

Our eight hard working summer volunteers are proud of the job they do in keeping this library a show place. We want this room to be your living room away from home. If you love books and would like to be a library volunteer please call me at 889-5348. Thank you.

Georgian Lucas, Librarian

# Christmas Eve Light Parade & Party

If you like glitz and glamour, our annual Electric Light Parade will be an event you won't want to miss.

There will be some beautifully lighted floats. Starting at 5:30 pm the floats will follow a posted parade route.

If you want to enter a float in the parade, please sign up in the Activity Office. All floats are welcome.

This will definitely be one of the bright spots of our holiday season.

# Genealogy Club

The Genealogy Club of RCW is gearing up for a great new season beginning on Monday, November 5th at 7 p.m. in Classroom 2. If you have ever wondered about the people in your family, where they came from, how they got to the United States or hundreds of other questions about your family history, this is the place to come. We are a casual, easy-going group who would like nothing better than to help you get started on your search. Our club consists of both advanced genealogists & rookies like me, but we share a common goal...to learn all we can about our family history. We welcome everyone to join us in this quest.

November 5th- We'll "Meet & Greet" & share things we've learned over the summer

November 12th- Watch a movie on How To Get Started In Genealogy

November 19th & 26- No meetings because of the proximity to Thanksgiving

If have any questions, please feel free to write me at [kjfoxworthy2@yahoo.com](mailto:kjfoxworthy2@yahoo.com) or stop by #371 B Street.
