“Around the World in a Bad Mood” - A One Woman Play

Mar. 24 • 7:00 - 9:00 pm • Aud • $13-19

A 90 minute fun and cleverly written one woman play, along with video, features the comedy of Rene Foss as a flight attendant, she says......"being a flight attendant is rather like being a waitress on a Greyhound bus - with no tips". For the past 15 years she has worked for one of the largest U.S. based major airlines and boasts that with so much real material at her job, it only seemed befitting to take her singing and acting talent, and put it into writing this fun and whimsical cabaret show.
Here at RCW we want to make sure you are A-OK! The “I’m Okay Club” is a program for guests and residents who are living alone.

Once you sign up with the Activity Office, you must call in daily before 10:00 am. This is just a daily check-in by phone that allows us to make sure you are OK. If you don’t call in by 10:00 am, we will try and reach you. If we are unsuccessful, we will come to your house and check on you.

Please stop by the Activity Office to sign up. We look forward to seeing you.

**Speed Limit**

Please observe the 10-mph speed limit inside the park.

**AED Devices & 911 Phones**

We have three Automated External Defibrillator (AED) devices. Make it a point to learn their locations. There is one of each in the Breezeway near the Office. Stay tuned to “The Villager” for upcoming CPR and AED classes. You could save a life!

**Safety from Wildlife**

The weather is cooling and this is a time when rattlesnakes might seek the warmth of a cozy asphalt street after sundown.

For maximum safety, carry a flashlight when you are walking at night, keep pets on a leash, and remain alert to an unlikely, but possible encounter.

**Are you new to Tucson or Rincon Country West?**

The Ambassadors welcome newcomers to RCW every Tuesday at 9:00 AM in Class Room 1.

Come in to get acquainted with RCW and how to find a hospital or urgent care clinic, grocery stores, shopping malls, restaurants and some of the many interesting sights of the area. We will try to answer any of the questions you may have. We look forward to seeing you!

**Right of First Refusal**

Rincon Country has the right of first refusal to purchase your Park Model in the event that a buyer is intending to remove the Park Model from the park. The details of this are on page 9 of the Park Rules and Policies. If you have any questions, please stop in the office.

**Easter and Kids**

Grandchildren over the age of 3 years are welcome to use the pool facilities between the hours of 12:00 noon and 4:00 pm from March 18 through April 30, 2017. In addition, they may use the other facilities during these days. As always, children must be accompanied by and supervised at all time by the resident. All guests should be registered in the Main Office.
**A Word from George**

I would like to thank the 172 families that lost power, on Super Bowl Sunday, for their patience and understanding of the 10 day outage. We have a good working relationship with Sturgeon Electric Company. On Sunday, we were here past 1:00 am, myself included.

Am I looking for a pat on the back? Maybe. In 2010 when the main Blvd. was resurfaced. At that time we installed thousands of feet of 3” conduit, plus several electric pull boxes. That bit of foresight saved at least one week or more of time, never mind the mess that we avoided by not having to dig a new trench.

We do our best, because we know it enables you to do your best! We are continuously proud of the wonderful people that live at Rincon Country RV Resort, and all the good they bring our community.

This month the Arizona Daily Star will be highlighting some of the fantastic work done by our residents for Habitat for Humanity. You’ll be able to read all about it March 5th in the “Home Section” of the paper, and possibly catch it on News Channel 4 the same day as well. If you really like reading about us, you can also find the Woodalls news story that featured our garden railroad! Go to: www.woodallscm.com/2017/01/improvements-help-olearys-resorts-succeed/

In case anyone is curious, the appreciation picnic raised over $4,500 for the food bank, adding to the $18,000 plus that’s been donated by you, on behalf of Rincon Country since 2015. As a reminder, Rincon Country will match any donation to the food bank, up to $1000, so let’s double the good!

We hope you’ve been enjoying the season and hope you’re having lots of fun! We sure have been!

**Extend Your Stay**

Each year we offer our monthly and seasonal guests the opportunity to add a few days or weeks to the end of their last month stay. If you have stayed for one month or more, and your reservation ends after March 1, extend your stay at a special rate of $24.50 plus tax per night on a back-in space. If you are on a deluxe space, extend your stay for $28.00 plus tax per night. Please stop in the Main Office for details.

**Maintenance of Your Space**

It has always been our policy that annual residents are responsible for the condition of their lots during the entire year, including summer months. Please make arrangements for your site maintenance during periods you are unable to do so yourself. This applies to maintaining shrubs and trees from getting overgrown as well as keeping weeds to a minimum. You must make arrangements to keep your lot weed free year-round, or for an extra $100 per year, you can opt to have us take care of your lot for you.

United Blood Services is Arizona’s oldest and largest non-profit blood bank. Currently 64 hospitals are counting on United Blood Services to provide life-saving blood components. To ensure an ample blood supply, we need 500 volunteer donors to step up each day to provide the needed blood for our Arizona hospital patients.

Did you know . . .
Blood donors at the Rincon Country West RV Resort will help kids like Mia, an Arizona 13-year-old who requires lifesaving transfusions every month – a need that is expected to continue the rest of her life. She was born with Diamond Blackfan Anemia, a rare disorder that prevents her body from producing red blood cells. “Mia is alive today because of people who donate blood,” said her mom, Kristi. Mia has already relied on the generosity of over 140 blood donors.

Be a Hero to families like Mia’s by making an appointment today!

Club Section - 1500 people were photographed for 87 RCW clubs last month. We want to earnestly thank Beckey Douglass and Kent Williams for sharing their art of photography and Linda Williams and Sandra Shefman for providing assistance. They volunteered to spend two long days in the sun and did it with efficiency and a smile. Now the hard work of choosing, editing and formatting all of the images begins. We can’t wait to see the directory next fall.

Sincere thanks goes to the numerous volunteers who have helped with the picture directory project. The ladies and gentlemen who have scheduled the photo sessions, and hosted the photo sessions have been invaluable. The last project is to update and enter all the personal data for the Roster Section. Again we have more than enough help to finish this project. One person who needs special recognition is Pam Anderson. She has scheduled, and trained the hosts and worked with the Lifetouch Photographers in any way necessary to make these events successful.

Activities From A - Z!

We have a huge variety of activities at Rincon Country West. Some are led by individuals and others are organized by clubs. You are welcome to join any of the clubs and other activities listed alphabetically in the following pages.

If you have a special talent or interest you’d like to share, come and talk to us in the Activity Office about forming a new club.

Acoustic Jammers

We meet every Tuesday 3:00-5:00 pm in the Rec. Hall. Come a little early if you need help to tune up. Audience welcome. Cell phones on mute please.

Acoustic Jammers have been musically expanding and welcome newbies to our circle. First we thank our dear drummer John L. for adding a stand with a portable microphone. John patiently sets up his drum set, cords to plug in the microphone and sound board. It is just amazing how we can now hear each other! John quietly adds his drum set to all our songs. We also learned he can sing "Sixteen Tons" and does it well.

Many thanks to Mike R. for not only “Crawdad”, but he typed out words to "Ghost Chickens in the Sky". Fair warning to brothers-in-law Fred and Ron: we are going to sing the words to your great guitar tunes "Just Because" and "Red Wing" soon. Dave come back with your guitar but especially your baritone horn! What fun on some of those gospel tunes too! Leon your guitar playing just amazes us and inspires us to listen and improve. We are glad to welcome back Fred C. with his homemade mandolin and joy of Bill Staines "Down the Road" song.

Activities

Amateur Radio

The RCW Ham Radio club meets every Wednesday in Classroom 1 at 11AM. Anyone interested in radio activity is welcome. The hidden transmitter hunt went well. We will soon be setting up a radio operation in the Saguaro National Park. Amateur Radio is a popular hobby and service that brings people and communication together. People use ham radio to talk across town, around the world, or even into space, all without the Internet or cell phones. It's fun, social, educational and a lifeline during times of need.

You can communicate from a mountain top, your home or behind the wheel of your car, all without relying on the Internet or a cell network. When regular communications channels fail, hams move into action providing emergency communications for public service agencies. Amateur Radio kept New York City agencies in touch with each other after their command center was destroyed during the 9/11 tragedy.

Visit us at a club meeting.

Phone 520-294-3077 or 810-620-0479 or email: dkammer@albion.edu.

Bicycle Club

The RCW Bicycle Club gathers each Monday morning at 9:00 am in the parking lot behind the Wood Shop. We depart at 9:10.

The Rides: Check the bulletin boards for the rides. (Once you join the club you will receive the monthly route schedule by email).

These Monday rides are 10 to 15 miles (round trip) in length at an easy pace and no one is left behind. They will be primarily on bike trails or occasionally on roads with little traffic.

Helmets and signed waiver release form are required. Contacts: Kirk Brownell, B378, 520-807-7582 and Jerry Fuller, O712A, 720-236-6141.

Bicycle Repair on-site

Do you have a bicycle that does not roll like it used to? Are your tires flat? Tucson Mobile Bicycle Repair will be on-site the first Thursday of each month to show your bicycle a little TLC. 8:00 am to 4:00 pm.
Birding Club

Warmer temperatures in March tend to bring more birds. Join us for birding in Tucson and surrounding areas. Meet Fridays in Classroom 1, at 7:00 am, for out of town trips, 7:30 for local trips. Trip schedules are posted near the Office and the Jewelry Arts room. Alternate weeks are notified by email if you are on our list. Destinations may be changed at any time for any reason.

Birding trips are all day and may last until 5:00 or 6:00 pm. Bring binoculars/scope/camera, water, snacks, lunch, sturdy walking shoes, and money for ride sharing and park entry fees. Your eyes and ears can help us locate more birds; our combined experiences can help us identify them. And we have fun too!

Consider joining us for our spring birding trip to Portal, AZ on the far eastern border of Arizona. It’s sure to yield interesting species to observe and identify in beautiful surroundings. Let’s go birding! Ron Jennings, 520-889-2253

March 10 - Sweetwater Wetlands 7:30am
March 24 - Sierra Vista 7:00am
April 3 - 7 - Portal Trip (Portal Lodge)
April 14 - Mt. Lemmon 7:00am

Blind Baby Quilts

Our group takes great joy in being able to deliver special quilts to the AZ School for the Deaf & Blind here in Tucson. These quilts are unique, as texture is the main focus. If the fabric is not textured, bits of lace, a swatch of suitable fabric or other embellishments are sewn on. If you would like to aid in this endeavor, we have kits available (including squares and embellishments) to create a quilt top.

All the fabric is donated, so if you have a stash of unwanted material or a light blanket or other fabric suitable to use as batting, we would be happy to receive it. Bring it to one of our work sessions (March 8th & March 22nd), or drop it off to me at J-620. Donations are very much appreciated.

Pancake Breakfast

Mar. 11 and 25 • 7:00 - 9:00 am
Rec. Hall and Aud.

Pancakes, sausage, scrambled eggs, coffee and juice all for $4 purchased in the Activity Office or $5 at the door. Come on out and support Woodshop.
Bocce Club

For you early risers or busy morning people, BOCCE BALL has you covered. New faces are showing up each day with the concern, “I have never played before so I might just watch.” That happened on the first Tuesday of February, and on the man’s first throw he hit the Bocce Ball and on his second throw missed it by inches. This would be like a baseball home-run, or a hole-in-one in golf. Needless to say, many newcomers have experience success and FUN.

We play at 9:30 am on Mondays, and 1:00 pm on Tuesdays. As it gets warmer we can offer another morning to play. We may even hold a tournament in March, especially for the rookie hot rollers. If you would like some private pointers please call Del at 701-238-2223 or stop by and visit.

Del Larson, B37, past-President

Cactus Quilters

Bear Down, Cactus Quilters! March is the height of the season here at RCW and though many are making plans to head north, Cactus Quilters remain busy. Our Monday morning meetings (9:30 am in the Rec. Hall) continue until mid April. Classes also continue in the Sewing and Craft Room—check out the glass cases to see what is being offered, then sign up on a clipboard below.

Now is a great time to learn new patterns and techniques so you can plan your entries for our 2018 quilt show. Wasn’t this year’s show fabulous?

The quilters in our park do wonderful work, and also are actively engaged in charitable projects such as Comfort Quilts, Doggie Beds, and Blind Baby Quilts. Come to a meeting to find out how you can participate. We also enjoy sharing our skills and interests through special interest groups such as Machine Embroidery.

All are welcome.

Our Bake Sale and the Craft Fair were huge successes again this season. Thanks to everyone who contributed and helped with the bake sale and thanks to all residents and vendors who participated in the Craft Fair!

The Craft and Sewing Room continues to be busy, and we welcome all crafters and sewers—please stop by often to see what new classes are being offered. If you are interested in teaching any type of class, please fill out a form that is located near the south door and contact Jan Anders at 520-349-0370 for available calendar dates and times.

We do have some new signs posted near the sewing machines that we hope will help making using the sewing machines easier. The officer names and numbers are posted on the cabinets above the machines if help is needed.

Open days and times for crafts and sewing in the Rally Room are posted by the large information calendar at the south entrance of the room to help with space when the room is busy. The date and time of our monthly meeting will be posted in the Craft and Sewing Room, and all who use the room are welcome to attend a meeting. Diana Gates, 360-337-9038

Hope to see you there! Beckey

The 2017 Photo Contest was quite a production that was enjoyed by a lot of people. Many thanks to those who participated in the 2017 Rincon West Photo contest! We all saw many quality photos of various subject matters, points of view, and creative presentation. Think ahead to next year. Take lots of photos and give consideration to some you might like to enter in next year's contest. Categories for next year won't be announced until after this goes to print, but there are annual favorites, sometimes a new category or two, and "open" which includes most anything you can imagine.

The Photo Contest is a big event that requires lots of help. Thanks to the volunteers who made posters to promote the event, put on a skit at Friday coffee, took in all the entries to mat, categorize, and scan, arranged all the photos for everyone to view on awards night, and prepared and served delicious strawberry shortcake. Wow, that's a lot of good work! Join the Digital Imaging Club and be involved in helping with next year's big production.

Dulcimer

As of the first of February, the Rincon Mountain Dulcimer Players numbered thirteen. If you’ve been thinking of coming down, but are concerned about your playing skills, come on ahead. Current skill levels range from intermediate players to “gosh, I know which side goes up!”

However, Diane Larabee, our musical director, is an advanced and award-winning player who also plays with the Tucson Mountain Dulcimer Ensemble. We are fortunate to have her and be able to take advantage of her skills and willingness to teach us.

If you are an absolute beginner or unsure of whether you’d like to try this, please contact me and we can get together for a one-on-one introductory session. Each person needs to provide their own dulcimer and tuner. A music stand is helpful. There is no fee for the classes, but there are a couple of books to purchase. This group does not perform; we just learn and play.

Practices are on Mondays, from 4:30 (set up at 4:15) to 6:00 PM, in Class Room 1.

If you are interested or have questions, please contact: Michelle Zinnecker, 563-343-6441.

Duplicate Bridge

We play each Tuesday starting at 6:30 p.m. in the recreation room. Get yourself a partner and come play. If you do not have a partner, we have a list of players on the bulletin board in the recreation hall that you could call and come play. For more information, contact Dave or Clubby.

Fun Bridge

Please join us for Fun Bridge on Mondays and Fridays. Sign up in the Briefcase in Classroom 1. Across from the post office.

We gather at 12:15 pm and start play at 12:30 pm. We are generally through by 3:30 pm. For more information contact: Barbara at 970-946-1677.

RCW’s Garden Railroad Annual Train-a-thon. How many trains can they run at the same time?
Garden Railroad Club

Spring is springing and again it’s time for one of our favorite activities – the Train-A-Thon. For those of you not familiar with our Train-A-Thon, we gather together at the layout ... this year it is Friday, March 10 ... to see how many trains we can run at one time. The record was 24 and was set in 2015. It is always fun to see several trains run at once, but at the Train-A-Thon there will be twice as many running ... and you may see some spectacular crashes! So come out on March 10, at 10:00 am (after Coffee) and see how many we can run at one time.

We will be having Night Runs on Monday, March 6 and Monday, March 20, at 6:00 pm. Seeing the trains illuminated at night is a real experience!

We are also establishing a Time Capsule of events that have taken place at our Club in prior years. If you have any photos or other memorabilia of those events, we wish you would share them with us.

We welcomed several new members last month and would welcome you if you are a lover of model trains.

Mar 6 - Open Mike, Introductions and Beginners Help
Mar 13 - DNA results from last year’s pot luck door prize
Mar 20 - Potluck and Election of Officers for 2017/18
Mar 27 - Planning for 2017/18 Season

Please note the date change of our Annual potluck. We have the rally room scheduled from 4:30 to 8:30 PM. Further details will be worked out as needed.

Golf

The golf leagues are in full swing for 2016-17 season. We will be playing golf at the following courses for March. Tuesday group will be at Silverbell, Crooked Tree, and Randolph & Torres Blancas. The Thursday group will be playing at Silverbell, 49ER, AZ National & Randolph. Let’s think about the great rounds of golf and the beautiful weather we will have in Arizona.

The Golf Leagues just completed their annual Super Bowl Cookout on Feb. 5th, and we had great weather and delicious food. With the proceeds of the Cookout we will donate $200 to the Diabetes Foundation. Also the League will donate 8 – 10 new bicycles to children in Tucson. The newspaper in the Library is also donated by the Golf League. Thank you to all that attended the cookout, and help us with these donations.

If you are new in the Park, please check in the coffee room for sign-up sheets for Tuesday and Thursday golf. We have a great time every week on the nine different courses that we play. If you are sign-up to play golf on Thursday, please attend our foursome pairing meeting in the Rec Hall Wednesday at 5:30.

Library News

Sandra Shefman, our librarian, and about a dozen volunteers put in some quality work time a few weeks ago to make RCW's library more user-friendly.

You may have noticed several changes in book placement. Westerns, with tan labels on the spine, are still located on the right side of the room but are now at the rear. The taller shelves hold the post-1990 dated books, and the shorter two sets of shelves have the books older than 1990. As you walk to this area, be sure to look at the 'New To Us' books on top of these short shelves.

Non-fiction is still on your right, but at the front on three tall shelves. Included now are the non-fiction military and inspirational books. All have white stickers on the spines.

All books have stickers on the spines to indicate the type. A key to the color scheme hangs on the wall right by the door. Or you can just remember all this:

Local Author (orange)  Local Interest (yellow)
Biography (lilac)       Mystery/Suspense (pink)
General Fiction (blue)  Romance (red)
Western (tan)           Non-Fiction (white)

In addition, each set of shelves is topped with a sign designating the kind of books found there. Magazines and puzzles are still located on the back wall.

We love our library and hope these changes will make using it easier for you. Do visit us soon and check out all we have to offer.

MacIntosh User Group
(Apple Computers)

Class meets on Tuesdays from 1:00 to 3:00 pm in Classroom 2. With such an increase in iPhone and iPad users, class time is usually split into two sections with iPad and iPhone users meeting from approximately 1:00 - 2:00 pm and Mac/Apple computer/laptop users meeting from 2:00 - 3:00. Many items discussed in the first half of the class are useful for users of all Apple devices. Class time may need to be adjusted.

Bring your laptop and/or iOS device to class for hands on learning. Class discussions will cover a variety of topics including tips, some user basics, helpful apps that can be downloaded as well as exploring apps included on Apple devices. We invite you to share your knowledge with the class. It's amazing what we can learn from each other.

If you have questions, suggestions for classes or wish to lead a class discussion, contact Allan Schreiber at allanschreiber@gmail.com or 520-889-0998.

Nana’s Needles

What a great group of craftswomen we have in Nana’s Needles!! Jan Pickard and I have already taken a trunk-load of goodies to Casa de los Niños and I am already collecting for the next load! We welcome anyone who knits and/or crochets to join us in our efforts to support Casa, which is a local charity dealing with children (from newborn to 21) and their families. Casa works on a wide scale, with nurses, social workers, and others to strengthen families and give them and attention and direction they need. Nana’s Needles is now planning to host a seminar to include the whole park next March (2018) and we will keep you posted on its development.

We are a casual group (no dues, officers, etc.) who meet after Coffee on Friday mornings in Classroom 1. Often someone seems to bring in a new idea or pattern, or offers a new technique in edging or construction of a project. We hope you who are new to us will stop in and see for yourself the wonderful variety of projects under way. We have all levels of expertise and have lots of yarns and needles/hooks and advice. So come to see us and perhaps you’ll share our enthusiasm for our activities.

Playcrafters

Playcrafters is a forward looking club. While one play is in production, we are looking forward to the next. There is a play reading committee that aids in selecting the play. A director is chosen and try-outs are held. The Christmas play is chosen and cast before we all head home for the summer. It takes a lot of help to put on a play. There is on stage, backstage, and front stage. We welcome your help and input.

Meetings are the first and third Thursday of each month. Meetings consist of some business and some entertainment. You don't need a reservation, just show up at 1:00 pm in the Auditorium. There are plenty of chairs and of course we are dues free.

President Barb will be happy to visit with you. She is at 34B or 605-440-0381.

8:00 am Pool Exercise

Here's a great big "THANK YOU, GEORGE! for the new heating system". Just two years ago, a new heater was installed for the pool, and it became unreliable this year. The expense of changing it was huge, but Mr. O'Leary made the decision quickly. Now we are privileged to bask in beautiful, warm water, and we love it!

If you have been at RCW all season or are just stopping for a few days, do consider joining us at 8:00 o'clock Monday's through Saturdays for 45 minutes of water resistance exercises. We use Billie Jo's Wet and Wonderful CD's for a good workout. A fun, friendly group of people will welcome you to this great way to start your day. Ilona Stone, Water Lover

11:00 am Pool Exercise (Mon thru Sat)

It's been a tough year so far with cold weather and pool heater problems. The heater is fixed, and the weather is warming – so join us at 11:00 am in the pool.

Monday, Wednesday, and Friday we incorporate the same “Wet & Wonderful” CD's used in the 8:00 class – using water resistance to tone & shape with some aerobics mixed in. Tuesday, Thursday and Saturday, we use the “Splashtastic Workout” CD which emphasis slower, controlled movements focusing on posture, strengthening muscles, and using Interval (fast/slow) exercises if you're up to it.

We emphasis working at your own pace, but learning how to perform the exercises to fit your needs – easy, harder, or hardest. Add some spice to your pool exercises, and join us at 11:00 and try it out – you'll feel great when you do. The daily schedule is posted in the Ladies shower room.
