November News from Dawn in the Activity Office

The Activity Staff has been busy planning the 2020-21. Season! RCW residents will have many opportunities to hear great music and comedy, learn more about RCW's surrounding community and beyond, find a new hobby, card game or sport, or find ways to get fit. We will be following health department's guidelines. Temperature checks, social distancing and masks are required at all events.

The Activity staff Mary, Ingrid and myself are grateful for the opportunity to work together as a team. Most of all we are grateful to work in the friendliest RV Park in the Nation. We love seeing all of your smiling faces in the Activity Office.

Thank you,

Safety First!

I'm OK

Here at RCW we want to make sure you are A-OK! The "I'm Okay Club" is a program for guests and residents who are living alone.

Once you sign up with the Activity Office, you must call in daily before 10:00 am. This is just a daily check-in by phone that allows us to make sure you are OK. If you don't call in by 10:00 am, we will try and reach you. If we are unsuccessful, we will come to your house and check on you.

Please stop by the Activity Office to sign up. We look forward to seeing you

Speed Limit

Please observe the 10-mph speed limit inside the park.

AED Devices & 911 Phones

We have four Automated External Defibrillator (AED) devices. Make it a point to learn their locations. There is one in the Breezeway across from the Office and by each Laundry Room, and one between the Pickle Ball and Tennis Courts. Stay tuned to "The Villager" for upcoming CPR and AED classes. You could save a life!

Safety from Wildlife

The weather is cooling and this is a time when rattlesnakes might seek the warmth of a cozy asphalt street after sundown. For maximum safety, carry a flashlight when you are walking at night, keep pets on a leash, and remain alert to an unlikely, but possible encounter.

New to Tucson or Rincon Country West?

The RCW **Ambassadors** are a group of volunteers who would like to help you learn more about our great community. The Ambassadors welcome newcomers to RCW every Tuesday, starting November 3rd at 9:00 am. For the months of November and December we will meet in the Auditorium.

We'll help you get acquainted with RCW's facilities and activities. We can tell you where you can find grocery stores, shopping malls, restaurants, a hospital or urgent care clinic, and sightseeing. We will try to answer any questions you may have. We look forward to seeing you!

Mask Up, Rincon Country! Protect Yourself! Protect Others!

After much thought and consideration Due to COVID the RCW Management team has come to the conclusion that it is necessary to cancel our annual Thanksgiving and Christmas Dinner.

George and the RCW Staff wish you Safe and Happy Holidays and, "hope to see everyone for Easter."

Below is a Note from Governor Ducey reminding us of some things to be thankful for .

"Thanksgiving reminds us to take time, before the busy Christmas season, to pause and give thanks for the many blessings God has bestowed upon us as Americans.

"Today, as with every day, we are thankful to live in a country with unparalleled freedom — one that upholds the values and principles of justice, equality, and self-determination.

"We are thankful for the many men and women who will be away from their families while they defend our country, keep our streets safe, and respond to emergencies. These are our members of law enforcement, first responders, medical professionals, service members in uniform and countless others who make service a part of their daily calling.

"We are thankful for the volunteers who give up their free time to make the holidays brighter for those in need.

"And from the depths of the Grand Canyon to the peaks of the Chiricahuas, we are thankful to live in a state filled with as much beauty, splendor, and boundless opportunity as ours.

"I wish all Arizonans and guests a happy and blessed Thanksgiving and a joyful holiday season ahead."

You must make arrangements to keep your lot weed free year-round, or for an extra \$100 per occurrence you can opt to have us take care of your lot for you.

RCW Cable TV

We offer high definition and an expanded line up with over 50 channels. It is very affordable at \$49.00 a month. How much are you paying for Dish or DirecTV? VILLAGEAIRES CHORUS Cancels its Fall Activities

The Villageaires Chorus regrettfully announces the cancellation of rehearsals and the Holiday Show this December.

These are trying times for everyone and the Board of Directors' primary goal is the safety of our singers, director, accompanist, volunteer crew members, and ultimately you, our audience. Unfortunately, each singer spreads the Covid-19 virus drops a distance greater than 10 feet, filling a huge space with a group of 25 singers in the Fall and 35 in the Spring.

We hope to return to practices and performances as soon as it is safe. Watch this space in RCW's newsletter for more info. In the meantime, stay healthy and continue to protect yourself and your friends and neighbors at RCW. Wash your hands frequently while singing *Happy Birthday* twice, maintain a safe distance, and WEAR A MASK!

**Vitalant is seeking blood donors on November 30th
from 8:30 a.m. – 12:30 p.m. in the Rally Room**

Please schedule your appointment today.
Your donation is needed!

Sign Up at www.bloodhero.com with sponsor code RCWRVP

Safety is Vitalant's top priority. All Vitalant blood drives apply the highest standards for safety and infection control. Precautions include:

- o Checking temperatures of staff and donors at all donation sites.
- o Following social distancing recommendations to keep donors and staff safe.
- o Ensuring face masks or coverings are worn by both staff and donors.
- Face masks with one-way valves are not permitted.
- Since we know some people can be carriers without symptoms, masks are recognized as an important element in reducing COVID-19 transmission and we ask that you wear a mask in our facility to keep donors and staff safe.
- o Routinely disinfecting surfaces, equipment and donor touched areas.
- o Wearing gloves and changing gloves often.
- o Using sterile collection sets and an antiseptic scrub for every donation.

There's currently an urgent need for O-negative blood donations.

In an emergency, doctors reach for O-negative first when there's no time to determine a patient's blood type.

O-negative is the universal blood type – it can be transfused to all patients.

O-negative donors can double their impact by giving a power red donation. One donation can help save multiple lives.

As the pandemic continues, **convalescent plasma donations are also needed** now to help patients currently battling this disease. Plasma from those who've recovered from COVID-19, known as convalescent plasma, contains antibodies that could be used to treat patients with an active, severe COVID-19 case to give them an extra boost to fight their illness.

For additional information and to **see if you qualify, please visit vitalant.org/COVIDRescueTeam or call 866- CV-PLSMA (866-287-5762).**

We're all in this together.

Please step up and help save lives by giving blood, platelets or convalescent plasma.
