Again, a big thank you and an even bigger well done to all of you who took part.

In the picture on the left, I was very pleased to have my picture taken with Liz Kochvar on my right side celebrated her 104 birthday earlier this year. Liz lived with us in Rincon Country Mobile Home Park for four years. When Rincon Country East was ready in 1979, she moved over. That's 46 long years we have lived together, Liz and the O'Leary Family.

Ruth Fox (on my left) along with her husband Dale Fox (RIP) came to live in RCE in 1980. That's 41 years the Fox family have lived in Rincon Country East. This is the last year Liz will be living year round in our RV resort however. If she wishes to return in the fall she can live in one of our rentals free of charge from October to December 30.

I'm the youngster at 90 years of age. (Picture on the right.)

Happy
Easter

A Memo from our Park Manager

As the season comes to a close once again, it's time to say goodbye. We will certainly miss our friends leaving, who are not so keen about the heat heading our way. I sit in almost disbelief writing this, because how is it possible that six months have already come and gone since the start of our season? It's certainly been a year unlike any other for me and I expect all of you. I want to thank you all for doing your part to help keep our community healthy and as strong as possible. I'm glad to hear that more and more people are getting vaccinated and hope that soon this will all be behind us. Please keep diligent about wearing masks in all rooms and when near others because it's not behind us yet, and still county mandate.

While this has been a challenging year, I continue to believe it brought out the best in a lot of people, and I see that here in our own community. It never ceases to amaze me how charitable and compassionate people are. Multiple times throughout this season, and every season, I see and hear about people looking out for the welfare of their fellow neighbor. It warms my heart every time. The number of charitable events driven by you, the resident, on an individual level and club level is nothing short of astounding. It makes me nothing less than proud to be a member of this community. Keep up the good work!

I want to thank the Rincon Roadies, a group that oftentimes I feel is not given enough thanks for all the amazing work on keeping our surrounding neighborhood clean, beautiful and trash free. This group picks up the trash others carelessly discard alongside the roadside. Inspired by them, it made me want to step up our efforts on keeping the area outside our gate better maintained and add to their already amazing work.

As the season is coming to an end, I want to take the opportunity to thank you all again for choosing Rincon Country RV Resorts as your home. I can't thank you all enough for the wonderful times here, and my opportunity to serve as your Park Manager. I'm inspired by you all and promise to continue to make these parks the best I possibly can, but I wouldn't be anywhere without my amazing team. I'm lucky to have every department filled with some of the best and nicest people you'd meet, both staff and volunteers, so thank you truly.

I look forward to next season because I am sure that we will be back to a much more familiar, fun filled park. A season doesn't seem right without having our dances and bands that we are accustomed to, at least in my opinion. There are already many fun plans underway for next season that we will be sharing with you over the coming months so stay tuned. Until then safe travels for those of you leaving, and to everyone else, we'll start the party once they are gone!

Cheers until next season my friends

Danny

Checkin' In with the Front Office

What a year it has been! We have missed many old friends but got to meet many new ones. Most of us are getting ready to wrap up another season, one that was certainly for the record books and as we get ready to say our goodbyes, just one final reminder to please watch our speed limits. Whether you are on a bike, trike or all 4 wheels, please mind the 10 mph speed limit in the park, thanks!

Now, let's start looking forward to what the next season will look like. In spite of masks and social distancing rules, we were able to play in new fun ways like golf cart parades and line dancing in the breezeway. Here's to wishing everyone a great summer! We can't wait to see our return friends again next season and also growing our new friendships. Like our new garden this year, may they all abundantly flourish.

Your Front Office Team,

Joanne, Jasmine, Mark and Tamara

PUT ME IN, COACH

Let's beat the spring training players and fans at their own game, well almost! We are planning to organize a coed softball team for next January, February and maybe extending to our own version of March Madness.

You actually only need five players on your team as two teams are in the field and the other teams are batting, cheering, resting or pleading, "Put me in coach! I'm ready to play, centerfield!"

Loosen up that arm, get that batting eye corrected and remember to bring that trusty (or rusty) glove to Rincon Country East next winter!

If you are interested in learning more about our RCE softball team or would like to jump right in to join, please send an email to Dan at dvmans@hotmail.com.

You don't have to be a professional to play with us...this is all about the fun!

“Acting Up” with the Activity Office

We made it! It has been one heck of a season for us all but we rallied together to keep spirits high and to be there for one another. We have tried to create new and exciting events while keeping everyone safe and actually we have really enjoyed being able to spend time with you through our Wednesday morning coffee deliveries, our golf cart parades and having folks come into the office to say hello or drop in their miles for our virtual walks. We would like to thank all of you for being so awesome with wearing your masks and for being so understanding about the restrictions for activities. We know it has been tough not having events to attend but you just wait...next season is going to be SUPER awesome!

Speaking of next season, I bet that you are all wondering what our new theme will be. Because we haven't been able to travel much this year, we are theming next season after the Dr. Seuss book, “Oh the Places You'll Go”. We will travel around the world for our dances next season. We will travel to Rome for a toga party; then off to Egypt to dance around the pyramids and we will even be donning our animal prints while we visit the jungles of Bali. There will be many more places on our around the world season, so make sure to keep checking in on our Facebook page for updates this summer!

We are always open to ideas and suggestions and really appreciate your feedback! We look forward to having a “normal” season starting in October. For those of you leaving us soon, we wish you all a happy and safe summer and cannot wait to see you again in the 2021-2022 season! For those brave enough to battle the summer heat, stay cool and enjoy the pool!

Be safe and well.

Shannon, Sue, Jean and Jennifer
