# **CHUCK HUCKELBERRY LOOP**

## **HISTORY AND INFO PRESENTATION**

**Pima County Will Be Giving a Presentation**  
**With Information About The Loop Shared-Use Paths Around Metro Tucson**

**Thursday, January 13 at 9:30am in Rec Hall**

This presentation will offer current information regarding the Huckleberry Loop Trail System and will be given by Joseph Cuffari, Program Manager in the Flood Control Group at Pima County.

Many RCW residents use the Loop and are aware that the Trail System was voted as the Best Recreational Trail System in the United States last year. The content of the presentation will include (among other things) the following information:

- History of the Loop - what led up to the initial planning, funding and development.
- Construction methods employed.
- Riverbank stabilization techniques.
- Appropriate mention of the beautiful artwork along the Trail network as well as the Sponsors.
- Design of the trail surface in consideration of high usage levels and temperature extremes.
- Ongoing maintenance procedures.
- Future plans.

Feedback from a “Friends of RCW” Facebook post last year resulted in several additional topics being added to the subjects of interest including:

- Archeological discoveries made during building of the Trail System.
- Interest in knowing if there are portions of the Trail System that are more popular, maybe based on the number of things to see or do.
- Parking information to facilitate visits to sections of the trail that are not close to RCW.

Attendees must be in compliance with CDC guidelines for large indoor gatherings.

### Villageaires filled RCW Auditorium with Song

The Villageaires and Desert Tones delighted a faithful and appreciative audience with *Just Good Music of December* at Christmastime. Ticket sale proceeds are used to show our appreciation to our Director Don Austin and Pianist Diane Larrabee; to add to our music library, props, and equipment; and to produce two shows. Many Thanks to everyone who contributed to this winter concert.

Beginning Jan. 4, the chorus rehearses every Tuesday at 9 to 11:30 pm in the Rec Hall and invites new members to join us. No auditions, no memorizing – just a desire to blend your voice in song. New members are asked to bring their vaccination card to their first rehearsal.

Come share your talents in bringing together a show of old and new vocal music for the spring performances on Sat. and Sun., March 19 and 20 in the RCW Auditorium.

Sign up at the Jewelry Arts shop or Activity Office to let us know you are participating. The sooner the better to allow your members time to come up with ideas for items to auction off. Your items can be hand-made, gift baskets, creative genius, or 'like new' items. Once you sign-up, you will receive more details on the simple process.

Proceeds from the items or services donated for auction are returned to you. Some clubs / groups need extra funds & some groups have donated funds to charity.
