Safety First!

I'm OK

Here at RCE we want to make sure you are A-OK! The "I'm Okay Club" is a program for guests and residents who are living alone.

Once you sign up with the Activity Office, you must call in daily before 10:00 am. This is just a daily check-in by phone that allows us to make sure you are OK. If you don't call in by 10:00 am, we will try and reach you. If we are unsuccessful, we will come to your house and check on you.

Please stop by the Activity Office to sign up. We look forward to seeing you.

Safety from Wildlife

The weather is cooling and this is a time when rattlesnakes might seek the warmth of a cozy asphalt

street after sundown.

For maximum safety carry a flashlight when you are walking at night, keep pets on a leash, and remain alert to an unlikely, but possible, encounter.

Speed Limit

Also please observe the 10-mph speed limit inside the park.

AED Devices & 911 Phones

We have one Automated External Defibrillator (AED) devices and one 911 Emergency phone. Make it a point to learn their locations. There is one of each in the Breezeway near the Office. Stay tuned to "The Villager" for upcoming CPR and AED classes. You could save a life!

A Few Words from George

Welcome back to all of our friends and family to what we think will be a very exciting year! We once again thank you for joining us for the start of another season, our 39th in fact, beginning at Rincon Country East RV Resort.

It never ceases to amaze me how quickly the summer months go by and the amount of work we are able to accomplish. Every year we strive to make Rincon Country RV Resort the best place to live for our visitors.

You probably will notice some exciting changes around our resort. We do our best to listen to all of our guests and implement the suggestions that you have made.

Rincon Country always stays ahead of the game and being prepared is key when operating our resorts. We have upgraded our transformers throughout the park which will ensure solid electrical connection for years to come.

One of the biggest changes is our new lighting in the Auditorium. There are also noticeable changes in our Activity Office, Front Office and Card/Poker Room.

You will also notice some new faces around RCE in our Front Office, Housekeeping, and Activity Office. Don't be shy, and make sure you pop in to introduce yourself. We are also excited to announce our Ambassadors are back this season to help get our guests settled into their home away from home.

As we say in Ireland, fáilte abhaile or welcome home!

Karen's Corner

“Tis the Season”...at Rincon Country East! Once again our Winter residents and guests will be arriving from the North to soak up the sun and fun. We are looking forward to seeing all the familiar faces returning for another season and meeting newcomers who experience our resort for the first time.

Our office staff will be enhanced with two part-time helpers, Jasmine and Mary. Joanne will be returning for her fourth year and this will be my second season. Stop by the office to let us know that you have returned and to say hello to our new gals!

During the summer months, our new Activity Director, Shannon worked in the office and I must say she did an amazing job. Shannon was busy making reservations, giving the Activity Office a much needed new look along with new paint in the Card Room and main office. Thank you so much Shannon!

Mark and Randy, our Maintenance team, worked on many projects during the summer. I am certain that you will see all of the improvements in the resort from their efforts.

Our Housekeeping Supervisor, Francisca is also back for her second season and we are lucky to have Mildred, who will be helping her this season.

The Post Office is still well managed by Terry. Both he and his wife, Pat, worked many hours over the summer months locking up and managing our phones after hours.

Thank you to our amazing staff and year round residents, “The Summer Buddies” who kept the resort alive and well during the hot months at RCE.

A big shout out to Judy! Her energy, effort and devotion to creating enriching activities and events each summer for our year-round residents makes such a difference!

Welcome home - Karen Perry, Office Manager
