We love to dress up for our dances and encourage everyone to come dressed as a character from their favorite musical. From Grease to Wicked.....Jersey Boys to Mary Poppins, the choices are endless!

Welcome HOME

A Few Words from George

The Maintenance crew and I worked throughout the RV Resort for more than 100 hot, 100-degree days this past summer and fall lasting into the first seven days of October. We are all happy and eager that our 42nd season is upon us!

This coming season, things will be quite different due to the Covid-19 virus. Over the last few months, we have all had to get used to this “new norm”. Reduced occupancy in rooms, social distancing and mask recommendations and requirements will be the norm for this season. We are adapting the activities to keep everyone safe. Additional sanitation stations are being added and extra personnel is being hired to sanitize high touch areas. Please work with us and be patient as we continue to adhere to the county and state regulations being imposed.

A question about the quarantine of new arrivals has come up. As of now, Arizona is not requiring quarantine of any folks coming in from other states. If the state starts requiring quarantines of new arrivals, we will enforce it at that time.

We are ready once again for a wonderful season.

Welcome Back!

George O’Leary

A Memo from the Park Manager

As I write this, I am completing my first solo trip as an RVer! And boy, can I tell you, I have a much greater appreciation for what you all do! You folks make backing in look so easy! I had no idea how much work is involved with everything! It's giving me such great insight to know what you folks go through. It's been a wonderful experience, and I can't wait to bring back the things I've learned, and share them with our park! It's made me also realize how wonderful this industry is in these times of Covid. It's really wonderful driving from city to city and not needing to use gas station bathrooms! This lifestyle gives you freedom with all the luxuries of having home close, safe and near.

After seeing so many wonderful parks and so many beautiful cities, I'm all the more grateful that you chose Rincon Country RV Resort along your life's journey, whether it be a few days, months or years. Another thing I am more appreciative of is the dedication of George O'Leary. There are lots of aging parks out there, and it's clear very little is reinvested. I promise, because of what he's taught me, and because it's the right thing to do, we will never be one of those parks. That's why I take such pride in the fact that things like the streets get repaved, buildings repainted, pool facilities improved, new equipment for our gym, rooms modernized and so much more than meets the eye. For example, we got new pool equipment that tests the chemical levels every few minutes and auto-adjusts accordingly to keep perfectly balanced pool water. It's never been mentioned before because we did it to keep making our park better, not to brag. A lot of things have been done: such as this, improvements behind the scenes that never get talked about or shown off, but they are there nonetheless. I only share this because I want you all to know how much we care about our park, and most of all, all who come through our gates. I truly believe we are all blessed for having this special community and the wonderful people that fill it. I'll never take that for granted, and I'll always do my best to only make it better for us all.

At the heart of it all is my wonderful amazing and stupendous team! They work so hard; I couldn't begin to thank them enough. After traveling around and visiting many parks, I realize all the more they are one of a kind and irreplaceable! I consider myself lucky to work alongside them. They truly do so much to keep everything beautiful, running smoothly and clean.

Thank you more than ever for choosing our park as home. You have my promise, I'll always work my hardest to keep Rincon Country RV Resort the amazing and special place it is. Cheers to what I think will be a wonderful, safe and awesome season!

Danny O'Leary

“Acting Up” with the Activity Office

Welcome to the start of the 2020-2021 season everyone! We are so excited to get this season off and running. The burning question from our residents seems to be, “What is happening with Activities?” Well, we are planning on holding events the best we can by social distancing, wearing masks, and having tons of FUN while keeping everyone as safe as we can.

We have some great shuttles coming up this month. They include Apple Annie’s Orchard and a Spooktacular ghost tour of downtown Tucson.

Our theme this season is "The Sound of Musicals" and we are so excited to kick off the season with our annual Halloween dance. We love to dress up for our dances and encourage everyone to come dressed as a character from their favorite musical. From Grease to Wicked.....Jersey Boys to Mary Poppins, the choices are endless!

We look forward to seeing you all at Wednesday coffees, where we will be telling you all about our exciting upcoming events!

Your Activity Office Team,

Shannon , Sue, Jennifer and Jean

“Checkin In” with the Front Office

Welcome back and what a year to remember it has been! As we ended our spring season, we had no way of knowing just how exciting this year would end up being. Well, the office staff here at RCE is ready to grab 2020 by its horns and give it a swift send-off! Joanne is back as our fearless office leader and you will also find Jasmine back for her 3rd season and Pam back for her second! Together we have our “Pima Ready” designation and are ready to reopen the office for socially distanced visits and check ins.

In addition, we would like to welcome Sherry to the housekeeping staff! She and Francisca will be an awesome team and are doing everything possible to keep things disinfected and sparkling clean for us!

Some of our friends have opted to stay in their winter igloos this winter, but the rest of us will make the best of this crazy year right here in the desert and dance in the streets or whatever other fun things our amazing activity department has in store for us! We look forward to seeing everyone’s smiling faces soon, or at least your smiling masks!

Joanne, Jasmine & Pam

One of Rincon Country's top priorities is the safety of both our residents and our employees. We are doing this in a variety of ways to include:

- ◆ Reducing Room Capacity
- ◆ Creating Outdoor Activities
- ◆ Ensuring Social Distancing at Events
- ◆ Temperature Checking at Coffee Mornings and Events
- ◆ Daily Temperature Checks for All Staff at the Start of Shift

We want to ensure that we are all following the CDC's guidelines for safety with regard to COVID-19 and have enclosed for you some recommendations from the CDC regarding Coronavirus.

Mask Recommendations include, but are not limited to:

Everyone should wear a mask in public settings and when around people who do not live in your household, especially when social distancing measures are difficult to maintain;

Wear a facemask if you are sick and around other people;

The mask is meant to protect other people in case you are infected;

Continue to keep about 6 feet between yourself and others. The mask is not a substitute for social distancing.

Recommendations include but are not limited to:

Cleaning your hands often by washing them with soap and water for at least 20 seconds, especially after being in public and after blowing your nose, coughing, or sneezing; or if soap and water are not readily available, using a hand sanitizer that contains at least 60% alcohol, covering all surfaces of your hands, and rubbing them together until they feel dry;

Avoid touching your eyes, nose and mouth with unwashed hands;

Avoid close contact with others – stay at least six feet away from other persons;

Avoid close contact with people who are sick;

Put distance between yourself and others, particularly if you are at higher risk of getting very sick;

Stay home if you are sick, except to get medical care;

Cover your mouth and nose with a tissue when you cough or sneeze, or use the inside of your elbow;

Throw used tissues into the trash.

Be Aware

Be alert for symptoms. Watch for fever, cough, shortness of breath or other symptoms of COVID-19.

Employees of Rincon Country

Employees have been advised to stay home if they have tested positive for COVID-19 or are showing COVID-19 symptoms.

Employees have been advised to stay home and monitor their health if they have had close contact with a person who has symptoms of COVID-19 within the past 14 days.

Policies have been developed to encourage sick employees to stay home without fear of reprisal.

Frequent hand washing with soap and water is required for all employees. If soap and water not available, employees can use a hand sanitizer that contains at least 60% alcohol.

All staff are required to use masks and to social distance.

Adequate supplies have been provided to all employees to encourage healthy hygiene behavior.

Sanitizer has been provided in all common areas and rooms throughout RCE.

All staff are required to have their temperatures checked each morning before the start of their shift.

For more information regarding the CDC recommendations, please visit www.cdc.gov.

Rincon Country is all about having fun, and we will continue to do so this season but will do so in a safe manner for our residents and our employees.

WE GOT THIS...
together!

WE'VE GOT YOU COVERED

We know that some of the changes due to Covid may be a bit overwhelming. Like the Boy Scouts say, *Be Prepared*, and we are hoping that this information will help to make these changes run smoothly.

Coffees: We will continue to hold coffee mornings every Wednesday at 9:00 AM. Saturday Club Coffees will no longer be taking place. We will be reducing the number of attendees by half, so please make sure that you attend a little bit earlier to ensure that you will have a seat available. Also we will,

- Take temperatures of all attending coffee.
- Serve donuts and fruit from the kitchen area.
- Not have self serve coffee. It will be served by a volunteer.
- See that each table will have individual sugars and creamers.
- Require masks. They may be removed to drink coffee/eat a donut.
- See that tables are spaced six feet apart.

Events: We will be holding both indoor and outdoor events this season. One reason we are in Tucson during the winter months is because of the beautiful weather, and we plan on taking advantage of the sunshine by holding events outside when we can. There are some basic requirements for events:

- Masks are required at events.
- Social distancing is required at events.
- Tables and chairs will be set up for social distancing and are not to be moved.
- Temperatures will be taken before entering events.

Always remember that there are three basic requirements for coffee and events:

1. Masks

2. Laughter

3. Smiles

GUESS THE MUSICAL

Wednesday Morning Coffee & Donuts

To go along with our musicals theme this season, each month, in our newsletter, we will put pictures of various items from a certain musical and ask, "How well do you know your musicals?" If you know the musical represented by the items pictured, come into the Activity Office and put the name of the musical on a piece of paper and put it in our "Guess The Musical" box for your chance to win a free ticket to one of our events! We will pick the winner at the first coffee of each month!

You need to be present to win.

Make sure to join us for a free donut and cup of coffee in the Auditorium on Wednesday mornings. Bring your own mug, and we fill it up with hot coffee (regular or decaf) or hot water for tea. As you pass through the hall between the Rec. Hall and Auditorium, select a donut or a piece of fruit.

We'll give you important park news hot off the press, and there will usually be a brief message from our coffee sponsor. Doors open at 8:30 am. Coffee and donuts will be served and our program begins at 9:00. See you there!

Understanding the Maze of Medicare

Nov 9 • 9:00 a.m.

This will be a virtual seminar, via Zoom. Medicare is not “one size fits all.” Understanding the basics can help you save considerable dollars.

I will be reviewing **Original Medicare’s Part “A,” and Part “B,”** what it does and does not cover. I will be discussing other “**Parts**” of Medicare that fill in the gaps of what Medicare does not cover.

Do you know that **Medicare Part “C” Advantage Plans** include additional benefits? Benefits may consist of prescription drugs, dental and vision exams, podiatry services, hearing services, preventative care, gym membership and more.

Supplemental coverage allows you to see any doctor in the U.S. who accepts Medicare. However, an additional Prescription Plan, **Medicare Part “D,”** is required.

You must review your plan annually. Insurance companies make annual changes. **Your “current” coverage may not fill your needs for next year and cost you extra dollars!**

Zoom is extremely easy to use. If you are interested, RSVP: judgegab@gmail.com.
