Seasons of Life Photos

The first photos have been received for our 2022-23 theme "Seasons of Life," The most recent was pictures of the various "seasons" in your life - youth, teen, and young adult. We love the idea of three pictures which can be used together to show your "seasons" - and grouped with other like seasons. We would love to see pictures of your childhood fishing trip, your farm days, your sports days, etc. Do you have photographs of family get-togethers which really made your "season" that year? We have so many activities at RCW that you may want to choose your PERSONAL RCW season activities.

You can send photos via text to Pam Anderson (218-348-4777), email (pamanderson@ymail.com) or via the post office (Lot 978). Be sure to include your name, lot number, and a short description of why it is a "season" in your life so they can be displayed with other like "seasons." If you submit a hard copy photo, please be sure to give information where it can be returned.

Club and Event Communication

The Activity Office communicates club and community news using the following:

The Club and Activity Guide: a directory of the clubs at RCW, when they meet, where they meet, club contact and a sentence or two about the club. These are updated on a regular basis and can be picked up in the Activity Office.

The West Villager monthly newsletter will be published before the 1st of each month. Articles may be submitted for current month's events by the 5th of the previous month to:

Activities@rinconcountry.com.

Weekly Reminders and Friday Coffee Slide Shows are published on Fridays. Items can be in the weekly reminder and/or in the slide show for the upcoming week. Deadline is each Monday and can be submitted on the form in the Activity office or:

Activities@rinconcountry.com.

Bulletin Boards (In front of the office and next to Jewelry Arts) are used for club schedules, and communication from the Activity Office. Items must be approved by Activity Office Staff.

The Activity Staff reserves the right to edit submissions to our publications. Please see us for more info.

AED Device

We have four Automated External Defibrillator (AED) devices. Make it a point to learn their locations. There is one in the Breezeway, across from the Office and in each laundry room and one between Pickleball and Tennis courts.

Safety from Wildlife

The weather is cooling and this is a time when rattlesnakes might seek the warmth of a cozy asphalt street after sundown.

For maximum safety carry a flashlight when you are walking at night, keep pets on a leash, and remain alert to an unlikely, but possible, encounter.

Safety Rules and Precautions

Below is a list of most commonly noted concerns:

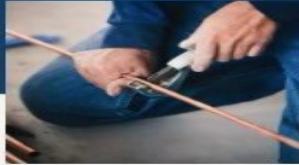

- ◆ Being in the dark – Please carry a flashlight when walking after dark. If you are biking, please have a light on your bike.
- ◆ Going the wrong way - Please remember to walk facing traffic and bike with traffic. This is especially important to avoid passing others within the 6 feet social distancing.
- ◆ All pets must be in the pet section, unless pet is a service animal. Humans, please assume that a pet outside the pet section is a service animal. If there is a concern, please see humans in the Main Office rather than create a confrontation. Humans, please remember pets must be cleaned up after and kept on a leash at all times!

CHUCK HUCKELBERRY LOOP

HISTORY AND INFO PRESENTATION

**Pima County Will Be Giving a Presentation
With Information About The Loop Shared-Use Paths Around Metro Tucson**

**Friday, November 18 at 10:00 am in Auditorium
(following Coffee Hour)**

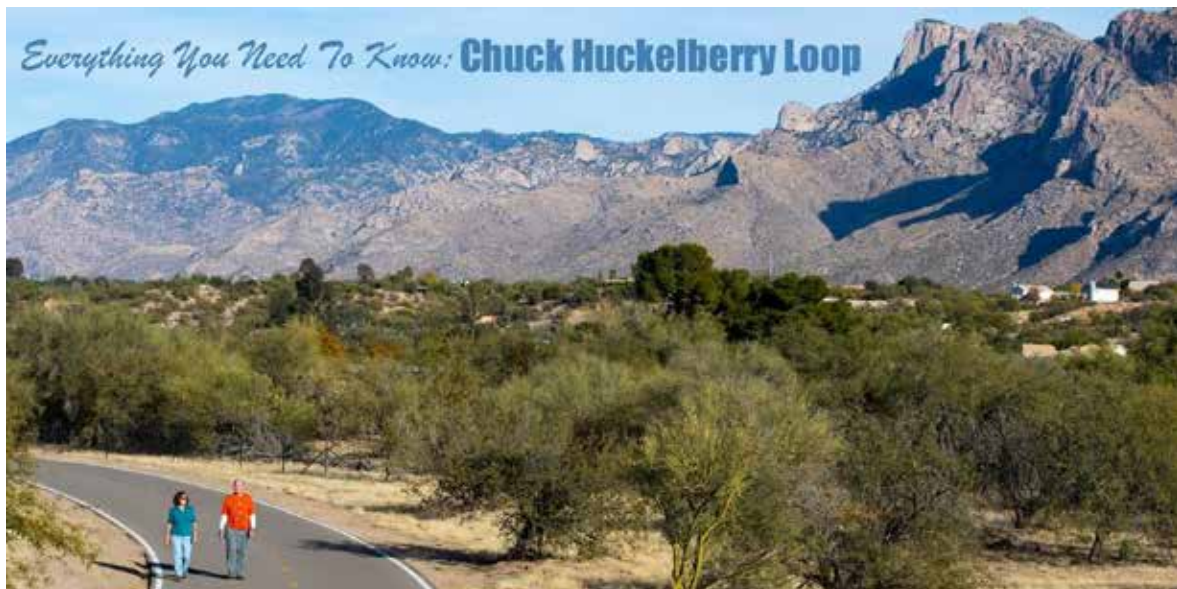

This presentation will offer current information regarding the Huckleberry Loop Trail System and will be given by Joseph Cuffari, Program Manager in the Flood Control Group at Pima County.

Many RCW residents use the Loop and are aware that the Trail System was voted as the Best Recreational Trail System in the United States last year. The content of the presentation will include (among other things) the following information:

- History of the Loop - what led up to the initial planning, funding and development.
- Construction methods employed.
- Riverbank stabilization techniques.
- Appropriate mention of the beautiful artwork along the Trail network as well as the Sponsors.
- Design of the trail surface in consideration of high usage levels and temperature extremes.
- Ongoing maintenance procedures.
- Future plans.

Feedback from a “Friends of RCW” Facebook post last year resulted in several additional topics being added to the subjects of interest including:

- Archeological discoveries made during building of the Trail System.
- Interest in knowing if there are portions of the Trail System that are more popular, maybe based on the number of things to see or do.

January 20th FOUREVER FAB

March 24th—THE EVERLY BROTHERS EXPERIENCE

For the last two years THE ZMED BROTHERS have celebrated the pivotal music and history of The Everly Brothers legacy with enthusiastic crowds all across the US. CACTUS QUILTERS

would like to extend a cordial invitation to anyone who is interested in quilting and/or sewing. You do not need to be an expert, just a desire to learn or even to just see what we do. We have activities that are of interest to most people. Our first meeting will be an outing on Monday, November 7th. We will meet in the Rec Hall at 9:15, divide into cars and head out at around 9:30. We will also stop somewhere fun for lunch. There is a sign-up sheet in the Sewing Room on the bulletin board – please sign up if you plan to attend the outing.

Our first “Official” meeting will be in the Rec Hall on Monday, November 14th at 10:30 a.m. We will have a very interesting program and Show & Tell – please bring anything you’ve made to share with the group. PLEASE NOTE THAT THIS IS A LATER TIME THAN NORMAL in order to work with another group needing the room. We will have the room until 12:30.

We hope to see you at our outing and meeting!! We have a lot of fun activities planned for this coming snowbird season!! Again – come check us out, see what we do, and see if we are a group you’d like to be a part of.

ALL ARE WELCOME!!

SERVICES FOR RESIDENTS

In order to have a central location for residents to find services within the park we have started a Services wall in the coffee room where we list those in the park who offer services. Please email to: Activities@RinconCountry.com or drop at the Activities Office. Be sure to include: Name, Lot #, Phone Number and service you offer.

CURBSIDE COLLECTION

NOW AVAILABLE

We are continuing our Curbside Collection program in an effort to:

- 1.) Eliminate unsightly items left in the Dumpsters areas and
- 2.) Prevent the Dumpsters from being filled with non-household trash.

Please remember, residents are no longer allowed to leave items on the side of the Dumpsters or dump anything that will not fit inside a trash bag. Anyone caught dumping prohibited items will be in violation of the Rules & Policies of the Resort. We are providing this service as an alternative to residents having to take non-household trash to the landfill themselves.
