CHUCK HUCKELBERRY LOOP

HISTORY AND INFO PRESENTATION

**Pima County Will Be Giving a Presentation
With Information About The Loop Shared-Use Paths Around Metro Tucson
Friday, January 20 at 10:00 am in Auditorium**

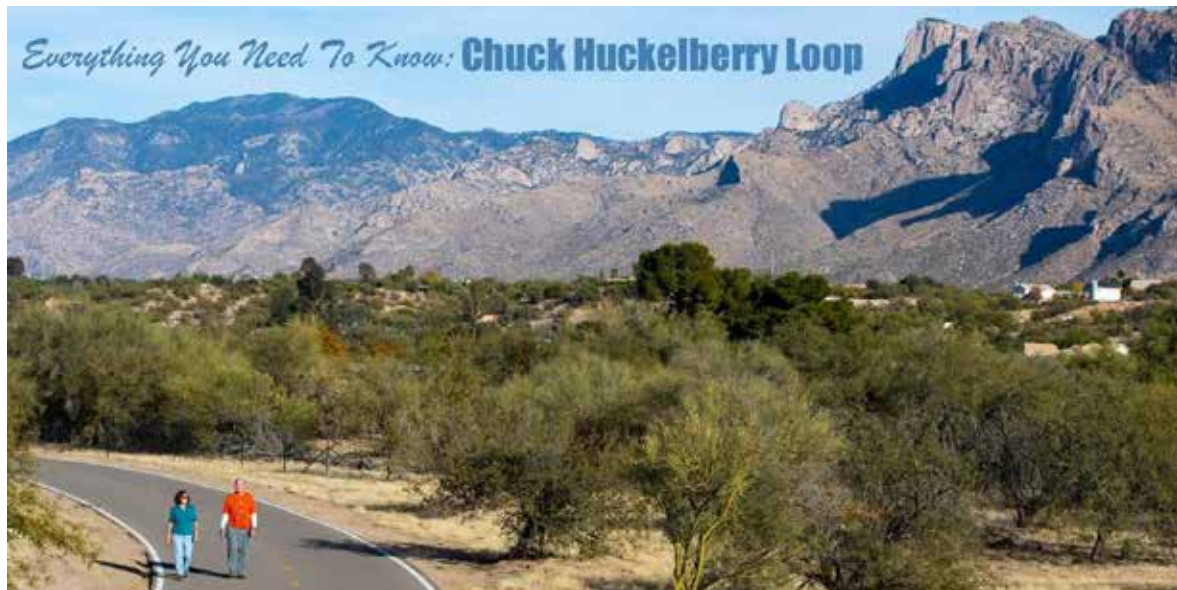

This presentation will offer current information regarding the Huckelberry Loop Trail System and will be given by Joseph Cuffari, Program Manager in the Flood Control Group at Pima County.

Many RCW residents use the Loop and are aware that the Trail System was voted as the Best Recreational Trail System in the United States last year. The content of the presentation will include (among other things) the following information:

- History of the Loop - what led up to the initial planning, funding and development.
- Construction methods employed.
- Riverbank stabilization techniques.
- Appropriate mention of the beautiful artwork along the Trail network as well as the Sponsors.
- Design of the trail surface in consideration of high usage levels and temperature extremes.
- Ongoing maintenance procedures.
- Future plans.

Feedback from a “Friends of RCW” Facebook post last year resulted in several additional topics being added to the subjects of interest including:

- Archeological discoveries made during building of the Trail System.
- Interest in knowing if there are portions of the Trail System that are more popular, maybe based on the number of things to see or do.
- Parking information to facilitate visits to sections of the trail that are not close to RCW.

The Villageaires Invite New Voices

Have you heard about the Villageaires? Want to learn more?

Then come check us out – starting Jan. 3, each Tuesday, from 9:00 – 11:30 am in the RCW Rec. Hall.

The Villageaires represent a mixed chorus of singers – your friends and neighbors. The group performs twice a year—a Holiday program and a Spring Show for RCW residents and friends. Musical talents of keyboard Accompanist Diane Larrabee, performances by the Desert Tones, soloists, and instrumentalists complement each show.

Under the able direction of Don Austin, the group performs a variety of music, from standards to popular to show tunes. Our aim is to delight our audience with our program as much as we are delighted to perform for them.

Take your voice out of the shower -- Come blend your voice with ours in joyous song!

Have Neuropathy? Told nothing can be done? That is Simply Not True!

"Thanks to treatment with Dr. Sartz, I can again walk like a two-year-old! I am pleased to be able to walk confidently without constant irritation from my feet. The relief has continued, and I can walk and stand without pain." Phillip P. Please see other testimonials on website.

I'm Dr. Patrick Sartz, DC, BCN, I am Board Certified in Neuropathy. My mother's neuropathy started in 1966, when I was 12 years old. A lot has changed since then but a lot hasn't. I am constantly learning since I started treating Neuropathy in March of 2008. Beginning in 2019, 98% of my patients have experienced between 65 to 100% reduction in neuropathy symptoms with 80% improvement in balance. The results can last for the rest of their life. All done without drugs, surgery, injections or multiple weekly office visits.
