Want to give your sweetheart (and yourself) a valuable Valentine's gift? Are you active, healthy adults today? Ride a bicycle, a motorcycle, or an ATV; hike mountain trails, play pickleball or dominoes? All of this could come crashing down in an instant, sending you to hospital.

You may have adequate medical insurance, but does it adequately cover emergency medical transportation and related services? That's where SkyMed comes to your rescue. With a SkyMed membership, you may avert a potential financial crisis, costing you tens of thousands of dollars.

No matter where you travel, SkyMed is the only emergency evacuation service that will *TAKE YOU HOME*, not to the nearest medical facility. Please sign up in the Activity Office for food count to learn more.

The Cactus Quilter annual quilt show will be held February 25th at 12:00—4:00 in the Auditorium and Rec Hall. Many beautiful quilts and other handmade items made by our members will be on display. We will also have a boutique which has many handmade items for purchase, including a “Grandma’s Corner” with gifts especially made for those young, loved ones. Unique gift baskets will be available in our Mini-Raffle. These baskets will contain a variety of items of interest to sewists, crafters, and non-crafters; a little something for everyone!

We encourage you to come view our quilts and vote for your favorites. We will be raffling off three beautiful handmade quilts as well. We will have a food truck available for your dining pleasure!

The RCW Garden Railroad Club is always an Rincon Country West favorite. The inspiration for the club is recalling a “happy place”, maybe the one you knew growing up – or might have known if you had the opportunity.

We have created an inviting environment for Rincon Country West residents and guests to relax & watch the trains roll by. There are multiple track loops traversing the layout creating the opportunity for several trains to operate simultaneously: featuring girder bridges spanning between sections of the display. The railroad has been expertly designed so Operators and observers can observe all the action. This garden railroad consists of five separate loops with sidings which are interconnected and have access to a “rail yard” & storage area. There is an undercover bench and an outdoor seating area for observers. The layout is both track and battery powered. The layout is oriented east-west with full southern exposure. The current layout includes plants that tolerate full sun, have a reduced water needs once established, and are not preferred by plant predators.

Not only do we serve our mission through the activities of our railroad club, but work to make a positive difference in the community by supporting Toys for Tots, Community Foundation of AZ, and Gospel Rescue Mission. We know one thing for sure, the more each of us acts as global citizens and become positive agents of change, the better off we all are.

Efforts such as the RCW Garden Railroad Club do not occur in isolation, or through the efforts of only one person. We are grateful to our many friends who have supported the club events like SpudOut, Parking Lot Sale, and Rails in the Garden with Tucson Garden Railway Society.

Recently, a new member told us “I found my smile when I joined this club.” Everyone! If you are interested in finding your smile, community support, and making a difference stop by one day and chat with one of the Operators. We’d love to talk with you. There are no shortage of smiles and good cheer around this G scale model railroad.

CURBSIDE COLLECTION

NOW AVAILABLE

We are continuing our Curbside Collection program in an effort to:

- 1.) Eliminate unsightly items left in the Dumpsters areas and
- 2.) Prevent the Dumpsters from being filled with non-household trash.

Please remember, residents are no longer allowed to leave items on the side of the Dumpsters or dump anything that will not fit inside a trash bag. Anyone caught dumping prohibited items will be in violation of the Rules & Policies of the Resort. We are providing this service as an alternative to residents having to take non-household trash to the landfill themselves.

Rincon Country will pick up, from in front of your unit, large items such as couches, stoves, mattresses, etc. This does not include items with freon such as refrigerators or ACs. Pick-ups start at \$25. Green waste will remain free of charge.

RECYCLING

IF ANY “DO NOT RECYCLE” ITEMS END UP IN THE RECYCLING BIN, THE ENTIRE BIN GOES INTO WASTE AND THE PARK RECEIVES A FINE.

Recycling receptacles are located throughout the resort for self-drop off. Refer to the resort map for exact locations. Please do not use plastic bags for your recyclables. Our recycle program does not accept plastic bags for recycling. Therefore, they are not permitted in the recycle receptacles even if the bags contain accepted items.
