summer and for those of you that are new to the Rincon Family, welcome!

Our summer here at RCE was a very busy one for Dennis and the guys, along with our legion of faithful subcontractors.

One of the many projects this summer was adding three new pickleball courts! For your viewing enjoyment, a pergola with seating was added at the courts as well. Right next to -dog run. Bring Fido over and check it out.

You ask, we deliver! We now have a unisex restroom directly in front of the new pickleball courts! And, right outside this restroom, is a new pet washing station! No room to wash your pet in your park model or RV? No problem! Clean them in comfort and we are sure they will enjoy it as much as you will.

The spa at the main pool received a much needed renovation. Outdated wood paneling was removed and redone with a modern coating of smooth stucco. We also added a fresh coat of paint to brighten up the area. You will love the tranquil ambiance of this rejuvenated space. Come and take a peek, it looks great!

PayRange has been added to all machines in our laundry area. What is PayRange, you ask? It's an app for your smart phone you can use to pay for your laundry services. There is no more need for quarters, you just preload cash using a credit card, onto the app and you are all set. Visit <https://www.payrange.com> or view the posters in the laundry for more information.

You may notice that we have removed many of the older , overgrown shrubs along the boulevard and recreation center. Knowing the importance of water conservation, especially here in the Tucson desert, Rincon Country wants to set a good example and do our part by adding drought resistant landscaping to our Resorts. These plants will give the Resort a beautiful year-round esthetic look. We hope that all of our residents will follow suit by decreasing water usage and ease our increasing concern over water consumption in the desert.

We are ready once again for a wonderful, fun-stay.

Astronomy Club News

Welcome back to Rincon Country East RV Resort for the 2023-2024 season.

The Astronomy Club is looking forward to a very active sky-viewing season. Please give us the opportunity to show you what our telescopes can do. We have new equipment with fun apps to use to view our sky.

The Astronomy Club typically meets on Sunday afternoons at the Dome near the pickleball and bocce ball courts.

Stay tuned for more details, and we look forward to seeing you all there.
