“Keepin’ Up Appearances” with the Maintenance Team

Happy New Year to all! We welcome in the new year and look forward to seeing all the new guests coming into the resort.

Just a few reminders from our team:

Please do not place items next to the garbage dumpsters in the back storage area. We offer bulk pick-up each month and encourage you to utilize this service.

Remember that it does get cold in the desert, so if you need to, please wrap your pipes when the colder temps set in. We will be doing the same to the resort’s main pipes.

Have a great January!

Your Maintenance Team and
Housekeeping

RCE RESIDENTS and GUESTS

So much giving in such a short amount of time! Once again the residents and guests of RCE were able to make a difference in the lives of so many. In just over a one month time span money, food donations and Toys for Tots were collected here at the park. Charitable donations were made to the Community Foundation of Southern Arizona totaling approximately \$2,900.00 and this was matched by Danny O'Leary as a tribute to his late father, George O'Leary. A donation for around \$2,000.00 was also made to Ford Elementary in a fundraiser led by Judy Singular. It has been an incredible beginning to our season! Cheers to you all!

We will be starting a new study titled “Discovering Your Destiny in God.” Studies are revealing that people do not discover the real reason they are on the earth until they reach their 50’s and 60’s. God lets us “put on some miles” in our lives before He starts revealing the real reason we have been put on the earth. The Bible is full of Bible characters who have experienced this. Join us for this study of God’s calling on us and our personal discovery from God’s Word.

Bulky Item Pickup!

Please sign up in the front office for this service. It will cost \$25.00 for the pick up. This is an as-needed service. Please do not leave large items out by the dumpsters or throw items over the fence into the wash.

AED Device

We have one Automated External Defibrillator (AED) device. The device is located in the Breezeway near the Office.

Slow Please!

10 MPH Speed Limit

Please observe the 10-mph speed limit inside the park! This applies to bicycles also!

I'm OK

The "I'm Okay Club" is a program for guests and residents who are living alone. This is a daily check-in by phone that allows us to make sure you are OK. Please stop by the Activity Office to sign up. We look forward to seeing you.

Safety from Wildlife

The weather is cooling and this is a time when rattlesnakes might seek the warmth of a cozy asphalt street after sundown. For maximum safety carry a flashlight when you are walking at night, keep pets on a leash, and remain alert to possible encounters.

Long Term Relief

Neuropathy is treatable, but currently not curable. So, how do you keep it under control? Keep Treating It. This is why I stopped doing in office treatments in 2015 and converted to a home treatment protocol. Recent advances in the treatment technology we starting using in the office in 2008, now provide greater relief to more people with the way maintain the relief for the long term by doing it at home.
