Safety First!

I'm OK

Here at RCW we want to make sure you are A-OK! The "I'm Okay Club" is a program for guests and residents who are living alone.

Once you sign up with the Activity Office, you must call in daily before 10:00AM. This is just a daily check-in by phone that allows us to make sure you are OK. If you don't call in by 10:00AM, we will try and reach you. If we are unsuccessful, we will come to your house and check on you.

Please stop by the Activity Office during the season or the Main Office during the summer to sign up. We look forward to hearing from you.

Concerned about a neighbor? Call the Activity Office and we will reach out.

Safety and Wildlife

For maximum safety, carry a flashlight when you are walking at night, keep pets on a leash, and remain alert to an unlikely, but possible encounter.

Avoid Heat Related Illness

Drink water - at least 2 liters (8 cups) of water per day.

Dress properly - lightweight, light colored clothing, wear a hat or carry an umbrella. Apply sunscreen to exposed skin.

Take it easy - avoid strenuous activity. If you must, do it in the morning between 4:00AM to 7:00AM (summer time). Take breaks in a cool place if possible.

Speed Limit

Please observe the 10-mph speed limit inside the park.

Only you can prevent speed bumps.

AED Devices

We have four (4) Automated External Defibrillator (AED) devices. Make it a point to learn their locations. There is one in the Breezeway near the Auditorium, D street Laundry, Rally Room, and Pickleball/Tennis courts.

Long Term Relief

Neuropathy is treatable, but currently not curable. So, how do you keep it under control? **Keep Treating It.** This is why I stopped doing in office treatments in 2015 and converted to a home treatment protocol. Recent advances in the treatment technology we starting using in the office in 2008, now provide greater relief to more people with the way maintain the relief for the long term by doing it at home.
