Happy New Year and Welcome Home!

We are so excited to get the new year started and the Activity Office has a variety of activities planned to keep you all busy this January!

Just a reminder that we are entering the high season which means that there will be a lot more people in the resort. Remember to be patient when folks are backing in their rigs. One of the many great things about traveling is meeting new people. I encourage you to introduce yourselves and welcome our new Rincon Country residents!

We will be collecting donations to the Community Foundation for Southern Arizona to benefit the Community Food Bank Endowment Fund through the rest of the season. When you donate \$20 or more, you will receive a copy of George O'Leary's autobiography. He was the original owner and creator of Rincon Country RV Resorts. Please see the front office for more information.

Have a wonderful and safe January!

Did you know?

Menehune are small people in Hawaiian folklore who are said to live in forests and valleys of the Hawaiian Islands. They are 6 inches to 3 feet tall, with muscular builds, large eyes, and low voices. They only come out at night, are gifted craftspeople with magical abilities, are able to command the elements, vanish at will and turn spies into stone!

We almost always have a coffee shop destination in mind around the halfway point. Ride routes and any changes are published on the Facebook group: “*Fun Times at Rincon East*”. Monitor that group to learn of any changes due to weather. Our first ride was a success and last ride will be April 14. If you have questions, contact Dale, space 454 or Gary, space 264.
