Safety from Wildlife

As the evenings cool, rattlesnakes might seek the warmth of a cozy asphalt street after sundown, and you may see or hear coyotes or javelinas. For maximum safety carry a flashlight when you are walking at night, keep pets on a leash, and remain alert to any possible encounters. Give space to javelinas and coyotes. If you see a rattlesnake, they are valuable to our ecosystem and can be relocated by our volunteer. Contact Dale (541) 291-2272
