Pollinator Garden “Field of Dreams”

Special Interest and Activities

The Pollinator Garden, located across from the Quads, was brought about by someone’s dream of planting milkweed for the Monarch butterflies. Through generous donations of money and time from RCW residents, as well as George O’Leary (for the space, fence, water, electricity), that dream became even bigger. The garden is designed for ALL residents to simply enjoy the peaceful setting or to get in some “dirt therapy” by pulling weeds, etc. Every spring there is a work session for cleaning out, trimming, and overall sprucing up the garden after its winter dormancy. Keep an eye out on the Friends of Rincon Facebook page for the spring work session. FMI: Kathy Hutson, B44, 765-808-1693
